All exams are held on-site at the school for all hybrid and on-site pathway students.

Any student who is absent from a scheduled examination without notification or prior approval may be excluded from that course. Approval to miss a scheduled examination will be given *only* in cases of serious emergencies and illnesses where the administration is notified in writing. Verification of the emergency or illness is required. If the administration approves a student's absence from an examination, a make-up examination may be given. Students are charged a \$200.00 make-up fee for each examination they miss. Failure to show up for a scheduled make-up exam will result in a "No-Show" fee of \$100. Please note: No grade higher than a "C" can be earned from a make-up examination.

Students must be current on tuition in order to sit for exams.
